- One person deals all of the cards .
- One person starts by laying a card face up in the middle & says UNO.
- Play continues clockwise: lay down cards & count **en español**.
- When everyone counts to **catorce (14)**, start back at uno & count up again.
- Anytime a number is placed in the middle that **matches** the number spoken, **the players can slap the pile**.
- The first person to hit the card gets the **entire pile** to keep.
- The first person to get all the cards in the game **wins**.

If you false slap or are too rough:

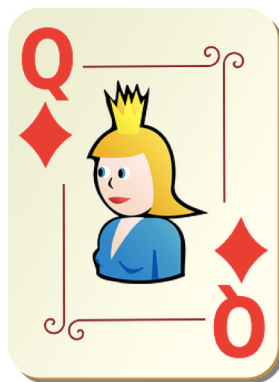

- 1st offense: deduct ten of your own cards & place them in the middle pile
- 2nd offense: elimination from the game
